Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “150% Graduates” is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- “150% Completion Rate” is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six-month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.

- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

Students Right to Cancel and Refund Right

1. You have the right to cancel the enrollment agreement for a program if instruction including equipment or other goods and services included in the agreement, through the first-class session or the seventh day after enrollment, whichever is later.
2. Cancellation shall occur when you give written notice of cancellation to the school. You can do this by mail, fax, hand delivery, or telegram. Address for cancellation is: Moviso Academy, 29970 Technology Drive, Suite 218, Murrieta, CA 92563, Attn: Campus Director. A written notice of cancellation, if sent by mail, is effective when deposited in the mail, properly addressed with postage paid.
3. The written notice of cancellation need not take any particular form and however expressed; it is effective if it shows that you no longer wish to be bound by the enrollment agreement.
4. If you cancel the enrollment agreement, Moviso Academy will keep the \$250.00 registration fee, you will have no liability to the school except as provided in paragraph six of this section and Moviso Academy will refund any money you paid within (30) days after we receive your notice of cancellation.
5. You have the right to withdraw from the program at any time. If you withdraw from your program after the seventh day after enrollment and are entitled to a refund, the school will pay your refund within 30 days of your withdrawal / determination date according to the current regulations. Before we compute your refund, Moviso Academy will keep the \$250.00 registration fee. The amount of your refund is calculated and determined on a pro-rata basis. The state pro-rata will be calculated for all students who withdraw from a program and is derived by the number of hours attempted as of the students last date of attendance in a scheduled academic year into the total number of hours scheduled for the academic year.
6. For the purpose of determining the amount a student owes for time attended, a student shall be deemed to have withdrawn from a program when any of the following occurs: (a) The student notifies the School of withdrawal or the actual date of the withdrawal (b) The School terminates the student's enrollment, (c) The student has failed to attend classes for 5% of the program length, (d) The student fails to return from a Leave of Absence.

7. For the purpose of subdivision (d) of California Section 94920 and for determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. For the purpose of determining when the refund must be paid pursuant to subdivision (d) of California Section 94920, the student shall be deemed to have withdrawn at the end of the designated period.
8. If the School provided books or equipment, the student must return the equipment in good condition, allowing for reasonable wear and tear within 30 days following the date of withdrawal. The school will refund the charge for the equipment, which was paid. If the student fails to return the equipment in good condition, allowing for reasonable wear and tear, within 30 days following the date of withdrawal, the school may offset against the refund calculated.
9. If the student has received federal student financial aid funds, the student is entitled to a refund of monies not paid from federal student financial aid program funds.

Hypothetical Refund Example

Assume that a student enrolled in a 147-clock hour program that costs \$3,462.00 (\$2,412 for tuition, \$100 registration fee, and \$950 for books and materials). The student keeps all books and materials and has a cash credit of \$1,000. If the student withdraws after completing 47 clock hours, the calculation is:

1. Total charges = \$3,462.00
2. Less tuition charges of \$3,362 times remaining hours (100) = \$2,287.00
divided by the total course clock hours (147)
3. Subtotal = \$1,175.00
4. Less any amount paid by you or on your behalf = \$1,000.00
5. Amount you still owe = \$ 175.00

For the purpose of determining the amount owed for the time attended, a student shall be deemed to have withdrawn from the course when any of the following occurs: (a) The student notifies the school of his/her withdrawal or the actual date of withdrawal in writing. (b) The school terminates the student's enrollment. (c) The student fails to attend classes for 5% of the program's duration.

In this case, the date of withdrawal shall be deemed to be the last date of recorded attendance. If any portion of the student's tuition was paid from the proceeds of a loan, then the refund will be sent to the lender or the agency that guaranteed the loan, if any. Any remaining funds will be used to repay any student financial aid program from which the student received benefits, in proportion to the amount of the benefits received. Any sum remaining will be refunded to the student.
