7 issued by a board in the department, or its suspension, forfeiture, or cancellation by
8 order of the board or by order of a court of law, or its surrender without the written
9 consent of the board, shall not, during any period in which it may be renewed,

8. Section 94897¹ of the Education Code states:

An institution shall not do any of the following:

...

(j) In any manner make an untrue or misleading change in, or untrue or misleading statement related to: a test score, grade or record of grades, attendance record, record indicating student completion, placement, employment, salaries, or financial information; a financial report filed with the bureau; information or records relating to the student's eligibility for student financial aid at the institution; or any other record or document required by this chapter or by the bureau.

...

9. Section 94898 of the Education Code states:

(a) An institution shall not merge classes unless all of the students have received the same amount of instruction. This subdivision does not prevent the placement of students, who are enrolled in different educational programs, in the same class if that class is part of each of the educational programs and the placement in a merged class will not impair the students' learning of the subject matter of the class.

...

10. Section 94900.5, subdivision (c) of the Education Code states:

An institution shall maintain, for a period of not less than five years, at its principal place of business in this state, complete and accurate records of all of the following information:

...

(c) Any other records required to be maintained by this chapter, including, but not limited to, records maintained pursuant to Article 16 (commencing with Section 94928).

11. Section 94902 of the Education Code states:

(a) A student shall enroll solely by means of executing an enrollment agreement. The enrollment agreement shall be signed by the student and by an authorized employee of the institution.

(b) An enrollment agreement is not enforceable unless all of the following requirements are met:

(1) The student has received the institution's catalog and School Performance Fact Sheet prior to signing the enrollment agreement.

¹ Business and Professions Code section 94897(j) was amended January 1, 2025 and incorporates language that was previously numbered 94897(j)(3).

1 (2) At the time of the execution of the enrollment agreement, the institution
held a valid approval to operate.

2 (3) Prior to the execution of the enrollment agreement, the student and the
3 institution have signed and dated the information required to be disclosed in the
4 School Performance Fact Sheet pursuant to subdivisions (a) to (d), inclusive, of
5 Section 94910. Each of these items in the School Performance Fact Sheet shall
6 include a line for the student to initial and shall be initialed and dated by the
7 student.

8 (c) A student shall receive a copy of the signed enrollment agreement, in writing or
9 electronically, regardless of whether total charges are paid by the student.

10 12. Section 94910 of the Education Code states:

11 Prior to enrollment, an institution shall provide a prospective student with a
12 School Performance Fact Sheet containing, at a minimum, the following information,
13 as it relates to the educational program:

14 (a) Completion rates, as calculated pursuant to Article 16 (commencing with
15 Section 94928).

16 (b) Placement rates, as calculated pursuant to Article 16 (commencing with
17 Section 94928), if the educational program is designed to lead to, or the institution
18 makes any express or implied claim related to preparing students for, a particular
19 career, occupation, vocation, job, or job title.

20 (c) License examination passage rates for programs leading to employment for
21 which passage of a state licensing examination is required, as calculated pursuant to
22 Article 16 (commencing with Section 94928).

23 (d) (1) Salary or wage information, as calculated pursuant to Article 16
24 (commencing with Section 94928), if the institution or a representative of the
25 institution makes any express or implied claim about the salary that may be earned
26 after completing the educational program.

27 (2) Additionally, each institution that offers an educational program
28 designed to lead to a particular career, occupation, vocation, trade, job, or job title
shall disclose the wage and salary data for the particular career, occupation, trade,
job, or job title, as provided by the Employment Development Department's
Occupational Employment Statistics, if that data is available.

(e) If a program is too new to provide data for any of the categories listed in this
subdivision, the institution shall state on its fact sheet: This program is new.
Therefore, the number of students who graduate, the number of students who are
placed, or the starting salary you can earn after finishing the educational program are
unknown at this time. Information regarding general salary and placement statistics
may be available from government sources or from the institution, but is not
equivalent to actual performance data.

(f) All of the following:

(1) A description of the manner in which the figures described in
subdivisions (a) to (d), inclusive, are calculated or a statement informing the
reader of where he or she may obtain a description of the manner in which the
figures described in subdivisions (a) to (d), inclusive, are calculated.

1 (2) A statement informing the reader of where he or she may obtain from
2 the institution a list of the employment positions determined to be within the
3 field for which a student received education and training for the calculation of
4 job placement rates as required by subdivision (b).

5 (3) A statement informing the reader of where he or she may obtain from
6 the institution a list of the objective sources of information used to substantiate
7 the salary disclosure as required by subdivision (d).

8 (g) The following statements:

9 (1) This fact sheet is filed with the Bureau for Private Postsecondary
10 Education. Regardless of any information you may have relating to completion
11 rates, placement rates, starting salaries, or license exam passage rates, this fact
12 sheet contains the information as calculated pursuant to state law.

13 (2) Any questions a student may have regarding this fact sheet that have
14 not been satisfactorily answered by the institution may be directed to the
15 Bureau for Private Postsecondary Education at (address), Sacramento, CA (ZIP
16 Code), (Internet Web site address), (telephone and fax numbers).

17 13. Section 94920 of the Education Code states:

18 An institution that does not participate in the federal student financial aid
19 programs shall do all of the following:

20 ...

21 (e) The institution shall pay or credit refunds within 45 days of a student's
22 cancellation or withdrawal.

23 14. Section 94937 of the Education Code states:

24 (a) As a consequence of an investigation, and upon a finding that an institution
25 has committed a violation, the bureau may place an institution on probation or may
26 suspend or revoke an institution's approval to operate for:

27 (1) Obtaining an approval to operate by fraud.

28 (2) A material violation or repeated violations of this chapter or
regulations adopted pursuant to this chapter that have resulted in harm to
students. For purposes of this paragraph, material violation includes, but is not
limited to, misrepresentation, fraud in the inducement of a contract, and false or
misleading claims or advertising, upon which a student reasonably relied in
executing an enrollment agreement and that resulted in harm to the student.

(b) The bureau shall adopt regulations, within one year of the enactment of this
chapter, governing probation and suspension of an approval to operate.

(c) The bureau may seek reimbursement pursuant to Section 125.3 of the
Business and Professions Code.

(d) An institution shall not be required to pay the cost of investigation to more
than one agency.

1 **REGULATORY PROVISIONS**

2 15. Title 5, CCR, section 71750 (Regulation 71750) states in relevant part:

3 ...

4 (e) An institution shall refund any credit balance on the student's account within 45
5 days after the date of the student's completion of, or withdrawal from, the educational
6 program in which the student was enrolled. For purposes of this subdivision and section
7 94919(d) of the Code, "day" means calendar day.

8 ...

9 16. Title 5, CCR, section 71770 (Regulation 71770) states in relevant part:

10 (a) The institution shall establish specific written standards for student admissions
11 for each educational program. These standards shall be related to the particular educational
12 program. An institution shall not admit any student who is obviously unqualified or who
13 does not appear to have a reasonable prospect of completing the program and shall describe
14 in its admissions policy the criteria used by the institution to determine whether each
15 student is qualified for admission to the educational program ("qualified candidate for
16 admission"). In addition to any specific standards for an educational program, the
17 admissions standards must specify as applicable that:

18 (1) Each student admitted to an undergraduate degree program, or a diploma
19 program, shall possess a high school diploma or its equivalent, or otherwise meet
20 the institution's criteria for a qualified candidate for admission, including minimum
21 levels of prior education, preparation, skills, or training.

22 ...

23 17. Title 5, CCR, section 71920 (Regulation 71920) states in relevant part:

24 ...

25 (b) In addition to the requirements of section 94900, the file shall contain all of the
26 following pertinent student records:

27 (1) Written records and transcripts of any formal education or training,
28 testing, or experience that are relevant to the student's qualifications for admission
to the institution or the institution's award of credit or acceptance of transfer credits
including the following:

(A) Verification of high school completion or equivalency or other
documentation establishing the student's ability to do college level work
such as successful completion of an ability-to-benefit test if required by the
institution. For the purposes of this section an "ability-to-benefit test" means
an independently administered examination from the list of examinations
prescribed by the United States Department of Education pursuant to Section
484(d) of the federal Higher Education Act of 1965 (20 U.S.C. Sec. 1070a et
seq.) as it is, from time to time, amended, that is designed to help identify

1 students who possess the basic skills necessary to succeed in a post-
2 secondary education program, but who lack a high school diploma;

3 ...

4 (3) Copies of all documents signed by the student, including contracts,
5 instruments of indebtedness, and documents relating to financial aid;

6 (4) Records of the dates of enrollment and, if applicable, withdrawal from
7 the institution, leaves of absence, and graduation; and

8 ...

9 (5) In addition to the requirements of section 94900(b) of the Code, a
10 transcript showing all of the following:

11 (A) The courses or other educational programs that were completed, or
12 were attempted but not completed, and the dates of completion or
13 withdrawal;

14 (B) Credit awarded for prior experiential learning, including the course
15 title for which credit was awarded and the amount of credit;

16 (C) Credit for courses earned at other institutions;

17 (D) Credit based on any examination of academic ability or
18 educational achievement used for admission or college placement purposes;

19 (E) The name, address, website address, and telephone number of the
20 institution.

21 ...

22 (9) A document showing the total amount of money received from or on
23 behalf of the student and the date or dates on which the money was received;

24 (10) A document specifying the amount of a refund, including the amount
25 refunded for tuition and the amount for other itemized charges, the method of
26 calculating the refund, the date the refund was made, and the name and
27 address of the person or entity to which the refund was sent...

28 ...

18. Title 5, CCR, section 76130 (Regulation 76130) states in relevant part:

(a)(1) A qualifying institution shall collect the assessment from each student in an
educational program at the time it collects the first payment from or on behalf of the student
at or after enrollment. The assessment shall be collected for the entire period of enrollment,
regardless of whether the student pays the institutional charges in increments.

...

1 **COST RECOVERY**

2 19. Section 125.3 of the Code provides, in pertinent part, that the Board may request the
3 administrative law judge to direct a licensee found to have committed a violation or violations of
4 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and
5 enforcement of the case, with failure of the licensee to comply subjecting the license to not being
6 renewed or reinstated. If a case settles, recovery of investigation and enforcement costs may be
7 included in a stipulated settlement.

8 **FACTUAL ALLEGATIONS**

9 20. Between February 2022 and May 2022, the Bureau received multiple complaints that
10 Respondent had falsified enrollment documents, failed to follow their admissions policies, and
11 merged classes, among other things. An investigation ensued.

12 21. As part of the Bureau's investigation, on February 8, 2023, the Bureau investigator
13 conducted an unannounced visit at Respondent's Marietta and Chula Vista locations. The
14 investigator requested complete student files for a list of students it provided to Respondent. A
15 review of the records revealed both record-keeping deficiencies and quality of education
16 concerns.

17 22. Respondent's 2021, 2022, and 2023 catalog states:

18 To enroll in diploma programs, students must possess a high school diploma, high
19 school equivalency certificate (G.E.D.), or achieve a minimum score of 97 on
20 the Combined English Language Skills Assessment (CELSA) Form 2 (Ability to
21 Benefit Test) or achieve a minimum score of 17 on Reading Comprehension and 14
22 on Mathematics on the Language Proficiency Assessment Test-Spanish (LPAT-
23 S)(Ability to Benefit Test).

24 a. However, a review of student records revealed the following students were
25 enrolled (and some paid tuition) in diploma programs (Real Estate or Computer Basics
26 with Small Business Marketing) without either having obtained a high school diploma, or
27 before they passed the LPAT or CELSA exams: BT, CG, JR, EM, ER, AC, GT, JA, JG,
28 JO, MB, LV, TL, UD, SG, JM, AP, LC, KM, NA, MG, JA, MB, SM, and MH. Thus, the
catalogs contain untrue statements.

///

1 b. Additionally, two students, LV and UD, failed the LPAT exam but were
2 permitted to enroll and take courses.

3 23. Respondent's enrollment agreement states, in relevant part:

4 Completion certificates/diplomas will be issued after the completion of the entire
5 program and all tuition fees are paid in full or otherwise accounted for. Classroom
6 and lab instruction will be tested. The students must achieve a passing grade average
(as stated in the catalog) to receive a completion certificate/diploma. Students will be
permitted to retest (as stated in the catalog) for any grade below passing.

7 a. However, a review of student records revealed students DC and JO were issued
8 diplomas prior to completion of their courses, and JE was issued a diploma prior to the
9 beginning or completion of her program.

10 24. Respondent characterized the Real Estate program as having approval status with the
11 Eligible Training and Provider List² (ETPL), when it did not, to the following students: DC, GT,
12 SG, LC, and MB.

13 25. Respondent failed to provide documentation of signed enrollment agreements for
14 several students including CG and DC. Additionally, Respondent failed to provide
15 documentation of signed School Performance Fact Sheets for students BT, CG, JR, EM, ER, AC,
16 GT, JA, JG, JO, MB, LV, JE, TL, UD, SG, JM, AP, LC, KM, NA, MG, JA, MB, SM, and MH.

17 26. Respondent failed to maintain records of dates of enrollment and dates of withdrawal
18 for students: JR, EM, JA, MB, TL, LC, NA, SM, and MH.

19 27. Respondent failed to maintain records showing the total amount of money received
20 from or on behalf of students CG and JR, and the dates on which that money was received.

21 28. Respondent failed to maintain records specifying the amount refunded for tuition and
22 other itemized charges, including the method of calculating refunds for students: EM, JA, MB,
23 TL, NA, SM, and MH. Respondent also failed document the date refunds were made to students
24 EM and JA.

25 ² The ETPL is a list of training providers approved by the Employment Development Department
26 (EDD) of California. If a course is ETPL-approved, the student may be eligible for financial
27 assistance by way of a voucher from the Workforce Innovation and Opportunity Act (WIOA)
28 administered by the EDD or Supplemental Job Displacement Benefits voucher (worker's
compensation vouchers) paid by insurance companies through the California Department of
Industrial Relations, Division of Workers' Compensation.

1 e. Respondent failed to maintain records showing the total amount of money
2 received from or on behalf of students CG and JR, and the dates on which that money was
3 received (Regulation 71920, subdivision (b)(9)).

4 f. Respondent failed to maintain records specifying the amount refunded for
5 tuition and other itemized charges, including the method of calculating refunds for
6 students: EM, JA, MB, TL, NA, SM, and MH. Respondent also failed document the date
7 refunds were made to students EM and JA. (Regulation 71920, subdivision (b)(10)).

8 **THIRD CAUSE FOR DISCIPLINE**
